

Instructions for Authors / Manuscript KHK

Once accepted, the manuscript will be available for download on the conference online platform.

If you agree to this at the Call for Papers (optionally), it will also be published in KGK - Kautschuk Gummi Kunststoffe.

Submitted articles should not have been published elsewhere (**only articles to be published in the KGK**). It will be assumed that the author possesses copyright control over his work and that the directorate of the institute or company in which research has been carried out has granted permission for the work to be published. Manuscript will be refereed prior to acceptance.

We ask authors to observe the following points:

- Please upload the manuscript on the conference online platform not later than October 10th, 2022.
- The order of the paper: Title, key words, **short** summary, authors, corresponding author, text, references
- Length: from 20.000 to 35.000 characters including blanks.
- Figures: the article may contain photos, drawings and tables (digital pictures should at least be as big as 9 x13 cm and have at least a resolution of 300 dpi in jpg or tif). The number of figures should be limited to ca. 10.
- Equations should be visibly separated from the text by adequate spacing and consecutively numbered.
- Please use in the figures DIN- or ISO-standard lettering.
- Please use SI units in text, tables and figures.
- Literature references in the text are to be numbered consecutively using square brackets (e.g. Tako [1]) and appear in the same sequence in the bibliography at the end.
- Examples of correctly recorded references:
[1] M. Giese, KGK **54** (2001) 166.
[2] E. Pat. 0008916 (1992) Bayer AG, Erf. H. Schmidt.
[3] DIN 53561 (1979).
- The **short** summary of the article should not exceed 700 characters.
- Please supply approximately 5 key words.
- Authors are requested to describe briefly (not more than 5 lines) their present affiliation(s).
- Please appoint a corresponding author from whom we need the whole address with company and department.
- Authors are required to proofread the galleys of their articles. Please send a well prepared manuscript. We have no possibility for a lot of corrections. If you have essential corrections please use the proof correction marks.
