

## Fall Rubber Colloquium ONLINE

### Guidelines for Posters on the Conference Online Platform

Page format:	DIN-format (for example DIN A0, DIN A1...), or Letter
Page orientation:	Portrait
File type:	<b><u>Adobe Acrobat PDF</u></b>
File size:	<b><u>max. 30 MB</u></b>
Quality:	When zooming into the poster, the smallest font must still be legible

Tip: if you use special fonts/characters, the quality of your poster might be poor on computers without these fonts. You can try to include the fonts in the poster file (if permitted by license law). Otherwise try to export the poster or the difficult parts of the poster as a bitmap. Please check your poster on a computer without these fonts before uploading.

If you want to use the KHK logo on your poster, please use only the current logo provided on:  
[www.dikautschuk.de/khk](http://www.dikautschuk.de/khk)

### Example (not binding)

Size of poster:	DIN A0, 1189 x 841 mm
Margin width:	approx. 40 mm (1109 x 761 mm printed area)
Height of heading area:	approx. 80 mm
Logo Area:	approx. 100 x 80 mm
